

WHAT IS THE SIGNAGE?

As an **ALL IN** exhibitor, your stand includes a signage with your name and stand number so visitors can easily find you.

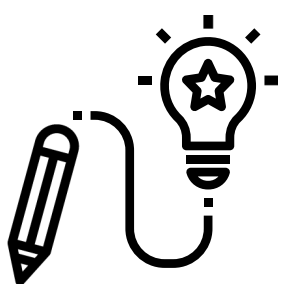

As a novelty in this edition, you have the opportunity to customize your signage with your company logo so visitors and costumers recognise you even more quickly.

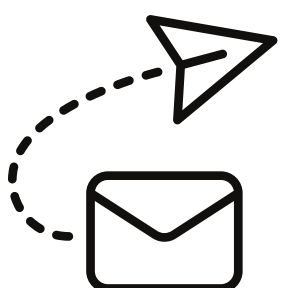

HOW DO I CUSTOMIZE IT?

01. Comunicate: Contact operaciones@easyfairs.com to let us know you want it coustomized.

02. Design: Create a design/logo with the specific dimensions 42.5 x 31 cm.

03. Send the design: Send the final design to operaciones@easyfairs.com before March 17th.

Remember! 40 € for 1 signage, 75 € for 2 signages. If you decide not to customise it, you should send us the name you want us to write down on it (no more than 20 characters) **before March 17th.**
